

We're Connected

KRK Summer Camp 2017

Welcome to Summer Camp 2017, where everyone is connected. We are going to have a summer you'll never forget! We will explore different themes each week that help us stay connected. Our activities will go along with our theme of the week and the calendar is full of fun field trips. The times on the calendar are the times that students should arrive, so that they will be early enough to get ready for the field trip departure. Field trips are scheduled, but subject to change. Sometimes there are circumstances that arise that cause us to change, reschedule, or cancel a field trip.

*Ages 4-6 (Pre-K children entering kindergarten) are junior campers

*Ages 7 and up are senior campers

*Kids R Kids T-shirts and wristbands are provided for every field trip.

To help the children have a wonderful experience, we ask that you follow a few simple rules:

- 1.) Please wear closed toe shoes to avoid tripping and falling.
- 2.) Please be on time for the field trips! We cannot wait for children that are running late. Please arrive 15 minutes before the departure time on the calendar for your child to get prepared for the trip.
- 3.) Parents make sure you sign up your child for each field trip. If your signature is not on the field trip form, your child will not be able to attend the trip. Also, some trips may require a signed waiver.

Summer Camp Registration and Tuition

Registration - \$75.00 for new students
